Audience

A world map illustrating the distribution of counts for the variable 'country'. The map uses a color scale where darker red indicates higher counts, ranging from 0 (light yellow) to 200 (dark red). The United States and Canada show high counts, particularly in the eastern and central regions. In Europe, the United Kingdom and Germany are prominent. India and several countries in East Asia also show significant counts. The legend on the right, titled 'counts', provides the scale for the colors.

Question 3

Question 4

A word cloud of terms related to the film 'The Untouchables'. The words are arranged in a circular pattern, with 'young' and 'life' being the most prominent. Other words include 'family', 'love', 'documentary', 'murders', 'team', 'mother', 'city', 'war', 'school', 'man', 'group', 'high', 'years', 'friends', 'true', 'find', 'woman', 'series', 'death', 'falls', 'mysterious', 'story', 'teen', 'takes', 'friend', 'wife', 'boy', 'girl', 'father', 'lives', 'daughter', 'son', 'save', and 'mother'. The words are in various colors and sizes, creating a dynamic and visually appealing composition.
