

HOT DOG EATING

Nathan's hot dog eating contest every July 4th has been going on since the early 1900s, but it wasn't until 2001 when things got serious. Takeru Kobayashi from Japan raised the bar, more than doubling the previous world record. Highlighted bars indicate new records.

TOP THREE HOT DOG EATERS

The year before Kobayashi started to compete in Nathan’s Hot Dog Eating Contest, the top three eaters were close in skills. However, from 2001 to 2005, Kobayashi always had a substantial lead. That changed in 2006 when Joey Chestnut started competing.
